The New Tacoma Neighborhood Council (NTNC) supports the efforts of the 8th & I Neighbors to create new zoning for their neighborhood. Their neighborhood is defined by the attached map, enclosed in "Zoning Plans- 8th & I Neighbors_NTNC.doc". The attached document also includes a draft of proposed zoning elements which also gained our support.

When the City of Tacoma created the Neighborhood Councils one of the founding principles was that these councils would "Enhance then environment in which citizens are afforded an opportunity to participate in government decisions in and advisory role". Our support of the efforts of the 8th & I Neighbors meets these goals.

Sincerely,
Marty Campbell, Chair
